Dear Sam:

Re: 17 Whitney Avenue, Toronto

I want to thank you and your team at Weston Flooring for the fabulous job you did in repairing, sanding and staining the old hardwood floors in my home. I also want to let you know how pleased my wife and I are with the new floor you put into our kitchen and family room.

We very much appreciated the solution you came up with on the stain colour; the final finish is a unique colour that you might want to add to your selection of custom stains.

It was a pleasure dealing with Nancy and Mary on the phone and we look forward to dealing with Weston again.

Best wishes for the Holidays.

Yours very truly,
