We would like to thank the staff at Weston Flooring Ltd. for an excellent job. Domenic Condo and the staff in the showroom were excellent and most helpful. Domenic was very patient and willing to share his knowledge explaining our options. We were considering an oak floor but with his help, we selected the Mirage Maple floor. A choice we are most pleased with.

Marie in the office has been most helpful with the billing and it has been a pleasure working with her.

The installer, Bart was excellent, polite and professional. We are exceptionally pleased with the floor that Bart installed. We did appreciate he identified the problems with the sub-floor before beginning the job, and allowed us the opportunity to have these corrected.

We also would like to thank Domenic for recommending an excellent sub-contractor, John Pacheco who was able on short notice to correct the problems with the sub-floor that Bart had identified.

We would not hesitate in recommending Weston Flooring Ltd. or using the company again.

Sincerely,
